Chief Newton:

Thank you for your confirmation letter and application regarding your agency's compliance with the U.S. Department of Justice's Standards for Certification on Use of Force and Safe Policing for Communities.

Presidential Executive Order No. 13929, *Safe Policing for Safe Communities*, dated June 16 2020, mandates that the U.S. Department of Justice's discretionary grant funding is only available to state, local, and university or college law enforcement agencies that have obtained (or are in the process of seeking) credentials certifying that they meet certain standards on use of force.

This letter confirms that the International Association of Campus Law Enforcement Administrators (IACLEA) has received your confirmation letter and declaration, certifying compliance with the U.S. Department of Justice's Standards for Certification on Use of Force and Safe Policing for Communities.

Your agency certification is valid for three years from the date of this letter. IACLEA will forward your agency's name and information within its database of certified law enforcement agencies and distribute to the U.S. Department of Justice.

If you would like to discuss further, please do not hesitate to contact me at jbernhards@iaclea.org.

Sincerely,

John F. Bernhards
Executive Director
International Association of Campus Law Enforcement Administrators
