Number of Charges Filed	80	47	-41.3%	226	144	-36.3%

Incident Count By Offense refers to reports written by the ISU PD. A written report may contain more than one incident offense. Timely Crime Warnings required to be issued to the University community by the federal Clery Act for crimes such as sex assault may be based upon other sources including calls for service or crimes communicated to other University personnel and may not correlate with incident count data.

This update was produced for informational purposes only and is limited by the availability of data at the time the report was prepared. Numbers may change as additional information becomes available. Prepared by Alice Fulk Wisner.

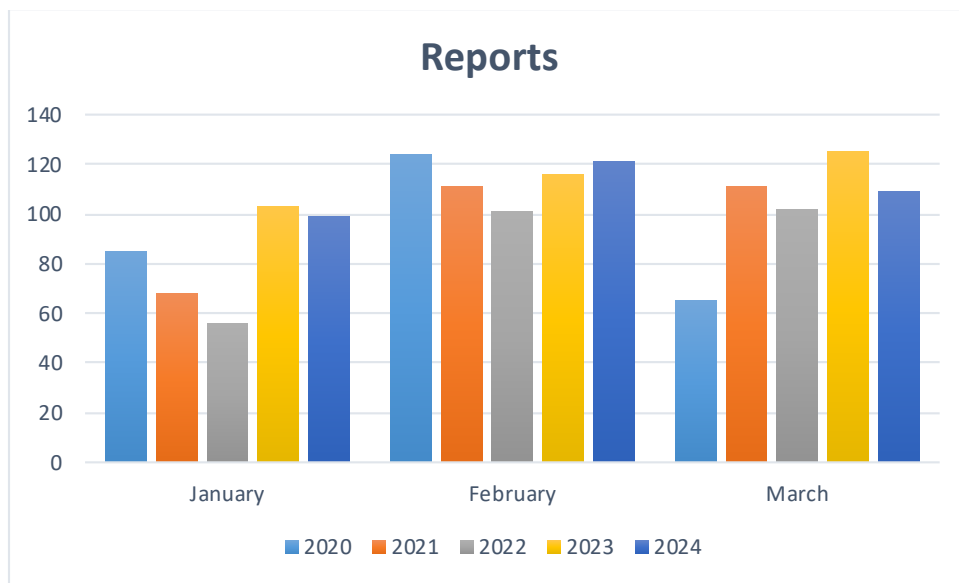

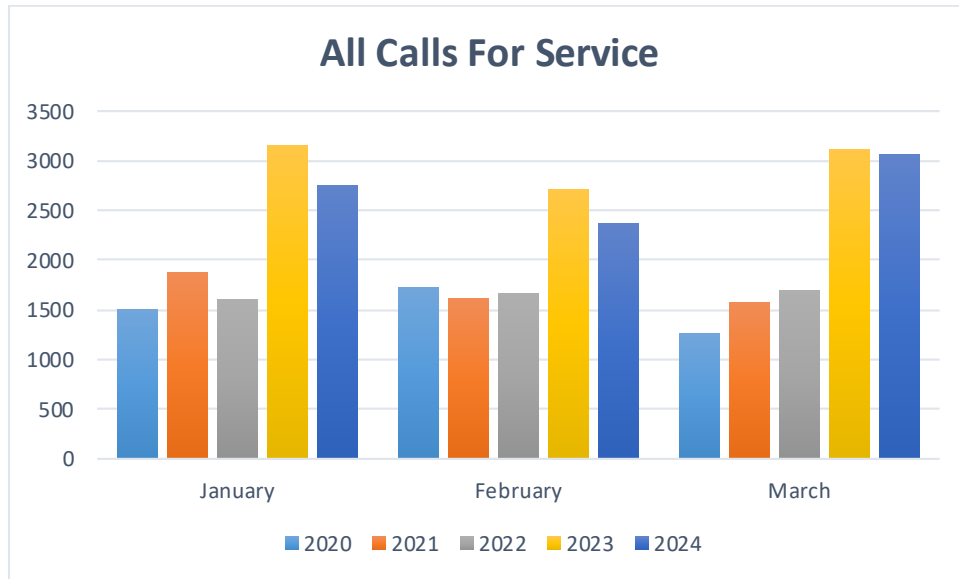

March 2024 - Incident Offenses

Top 10 calls for service for March 2023 and March 2024
